Teachers' Lounge

The Board of Education provided generously in the fall of 1949 for the decoration and furnishing of the teachers' lounge in the west wing of the second floor. A committee composed of Mrs. Clark and Mr. Gilbert from the Board and Miss Jablinski, Miss Higgs, Miss Knuusi, Mrs. Ihrig and Miss Stewart from the Faculty, following the suggestions of an interior decorator, decided upon mauve-gray ceiling and walls, taupe carpeting and blond furniture. Color is introduced by a casement draw curtain in shades of mauve, coral, yellow and blue, and by the lamp shades in coral. The Faculty has made its first contribution to the fund.

COUNSELING ROOM

The counseling service was established last September. Its objective is to assist students with problems of vocational choice, educational achievement, and personality development. Miss Jablinski, Miss Stewart and Mr. Greenstein administer tests in interest and aptitudes, and assist in making plans for high school, college and everyday living. In addition, they have individual conferences with the students on any problems for which they may request guidance. Mr. Johnson is chairman of the department.

DRIVER TRAINING

This course was introduced this year to aid our teenagers to learn safe and sane driving habits. This is only a part in the state-wide program for improving highway safety. This year forty-four students have completed this highway safety course. As a supplement to this program twenty-five adult drivers completed a more concentrated version of this course.

Remember Us

SENIOR HISTORY

September 1946 found the present Senior Class, fifty-four of us, enrolling in Algonac High School as Freshmen. Our homerooms were held in Study Hall. The officers were President, Richard Rex; Vice-President, William Kersten; Secretary, Charles Gilbert; Treasurer, Barbara Stager. The two Student Council members were Delphine Rzeppa and Charles Warner. Miss Bradley and Coach Greenstein have been our competent advisers throughout our high school years.

From the beginning we proved to be an independent and aggressive class. We had previously chosen our class colors, motto, and flower. Our colors were Kelly green and white, the motto, "Up the Ladder Step by Step," and our flower, a white rose.

We had a balance of \$55.51 in our treasury at the beginning of our Freshman year. We decided on \$1.25 each for dues.

In order to finance our future Senior trip, we found ourselves searching for money-making schemes. The idea of selling game-schedule pencils was suggested and accepted. This venture was quite profitable, for we gained nearly \$20.

Karyn Lozon and Robert Baker represented our class as king and queen at the Senior Carnival.

On September 3, 1947, with Robert Baker, as President; Richard Rex, as Vice-President; Judy Duncan, as Secretary; and Barbara Stager, as Treasurer, we entered our Sophomore year. Members of the Student Council were Delphine Rzeppa, Lydia Day, William Kersten and Charles Warner.

We made \$56.90 on the selling of baseball pennants and shields with "Algonac" on them. This raised our treasury from \$188.29, to \$245.19. For added profit we raised our dues to \$3.00 per person.

Barbara Stager and Tom Ishmael were our king and queen of the 1947 Senior Carnival.

When we entered our Junior year in 1948, our home room meetings were changed to the commercial room. Our officers were as follows: President, Charles Warner; Vice-President, Charles Gilbert; Secretary, Judy Duncan; Treasurer, Karyn Lozon. Our four Student Council members were William Kersten, Delphine Rzeppa, Richard Rex, and Lydia Day.

Our first project of that year was a magazine selling contest between the boys and girls. The boys won and received a party as their reward.

We then added a small amount of money to our treasury by selling maize and blue mechanical pencils.

The next outstanding event for our class was the J-Hop held on January 21, 1949. Our theme was "Winter Wonderland". Our profit on this dance was \$90--the largest any class had ever reported.

At the J-Hop we raffled a small white Philco radio, and made \$88.00 on this venture.

On June 3, 1949, we gave the Seniors their banquet. We held it in Sarnia, Canada; at "Kenwick-on-the-Lake". It was a very successful and memorable affair.

Our Senior Carnival king and queen for this year were Charles Warner and Judy Duncan.

So ended our most eventful Junior Year.

Our final and most glorious year began September 3, 1949.

Our class officers for the year were: President, Charles Warner; Vice-President, Richard Rex; Secretary, Judy Duncan; Treasurer, Karyn Lozon. Our representatives in Student Council were: William Kersten (who was president), Charles Gilbert, Charles Eckfield, and Richard Rex.

On November 11, we staged our Senior Carnival which was a huge success. Shirley Dahl and Richard Lozon were our class queen and king.

Next, we undertook the selling of magazines. It was not as successful as we had hoped but it did add a fairly large sum to our treasury.

Our sale of Christmas cards during the latter part of November resulted in a large profit.

The illustrious Seniors on February 21, 1950, successfully sponsored a donkey basketball game.

April found us knee-deep in feverish preparation for our Senior play "Mumbo Jumbo". Consisting of six boys and six girls, the cast performed superbly, making it one of the most enjoyable plays ever presented.

In June, Kenwick-on-the-Lake was the perfect setting for the Junior-Senior Banquet.

Baccalaureate on June 12 began our final week as Seniors. Then came that goal toward which the forty-two of us had been working--that night of nights--June 16, 1950--the graduation exercises!

The Student Council is composed of representatives of the student body from grades eight through twelve. These students meet each Monday to plan social events for the student body, delegate powers to classes, and assign duties to homerooms. They also work with the administration in solving problems concerning the entire student body.

Important projects this year included selecting a school crest to appear on class rings, planning a gala Homecoming in the fall of the school year, purchasing a popcorn machine for use by the classes, and sponsoring all the All-Hi Dances.

The Algonac Chapter of the National Honor Society was organized in 1940, and now has about 100 members, active and alumni. Membership is based upon the four qualities of scholarship, leadership, service and character. The main project of the society has been a scholarship fund to help students obtain a higher education. Two gifts of \$100 each were awarded in June, 1949, and, if possible, two more will be awarded each year. The society meets regularly every two weeks; and among its principal activities are an assembly program each fall when new members are tapped, and a banquet each spring for which many alumni return.

Those tapped at this year's assembly in November were: L. Sampier, W. Kersten, E. Avers, B. Stark, B. Rounds, G. Starek, N. Pekuri, Y. King, J. Kuriluk, R. Peters, D. Mensen, and J. Humes. Karyn Lozen and Beverley Smith are the two newest members. They were inducted in February.

The Algonac Senior High School Band is an organization consisting of fifty-six members.

During 1949 the band made several trips, one of which was to Briggs Stadium to play for the opening of Leader Dog Week.

Saxaphones, clarinets, horns, baritones, drums, trombones, basses, bells, flute, and an oboe are used in the band.

For the Spring Concert the organization rendered "Overture Argentina," "Festival Finale," "Romantic Rhapsody," "Carnival of Roses," and "Balaton." On the popular side, the selections "Meadowland" and "Begin the Beguine" were given.

March 24 marked the date of 1950's Band Hop. The theme was "Small Hotel" and music was furnished by Lowell Tyler's and George Appelman's bands.

The marching band plays and marches at football games and parades; such as the Pickerel Tournament Parade, Marine City Mardi Gras, and the Port Huron Christmas Parade.

Football - 1949

It was an outstanding football team that defended the Blue and Gold pennant during the 1949 season. It not only won eight games, but extended the winning streak to twenty-five consecutive games. This football squad seemed to have everything--spirit, speed, drive, power, brains, and deception. Algonac High School is as proud of its teams as the boys are proud to represent this school and community. Cooperation and teamwork is the lesson learned in the results obtained.

The season's schedule starts the first week of December and continues until the team is defeated in tournament play. The team plays each member of the St. Clair County Athletic Association twice during the year.

For the seventh and ninth grades there is also a chance to play organized basketball. The Junior High Squad consists of fifteen boys who play other Junior High Schools in the league. These boys must also be scholastically eligible.

Mr. Greenstein coaches the Varsity and Junior High Teams; Mr. Pippel is the coach of the Reserve Squad.

After winning the undisputed baseball championship of the St. Clair County League in 1948, the 1949 Squad with many new faces in the line-up made a real bid to repeat for the honors, but had to settle for a tie with Marine City and Marysville for first place, although both were defeated by the local Timber Swingers.

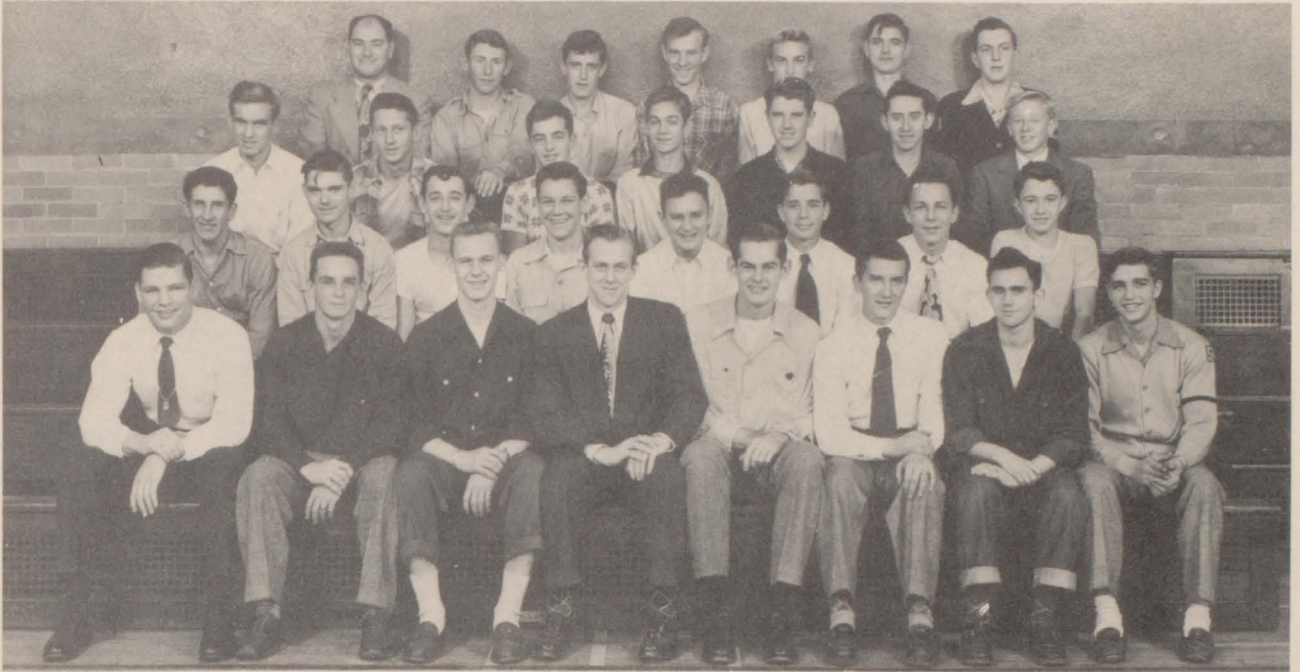

Baseball is proving to be a very popular sport since the league revived it in 1946 and the interest on the part of the boys has been spontaneous.

A St. Clair County Track Meet decides the league championship.

Every boy in grades nine through eleven who is scholastically eligible may come out for track. No one is ever dropped from the squad. Each boy is assigned to a list of events and he competes in them in all track meets.

A point system is devised whereby every boy has a fair chance of earning a letter in track. Mr. Greenstein is the track coach.
